

Student Council

We are the proud the brave the great Tolleson Wolverines! Tolleson Union High School's student council is on a mission to achieve the best school spirit and student involvement yet! From stressful Homecoming weeks, to amazing school dances, StuCo. is ready for it all! We are prepared for all the obstacles to come and equipped with all the tools to overcome them.

Student Council is not just a class, we are a family. We have our (sponsor) Ms. Peacock that is always there when we need her. Then the big kids, our Juniors and Seniors. Then the babies of the bunch, our Sophomores and Freshman. As the older siblings, Juniors and Seniors lead by example to show the way for our Sophomores and Freshman. Our council family grows stronger and bigger as time goes on. Thanks to our mother and amazing administrators, student council is unstoppable and is achieving their goals one step at a time. We hope to keep the spirit high and the student involvement even higher throughout the years to come.
